

Our Tournament Mission... TO HELP FIGHT CANCER!

In 1983 the Rotary Club of Elizabethtown established a cancer research fund at the **Penn State-Milton Hershey Medical Center** in memory of Past President Paul Grubb, Jr. In 1994 we established a memorial golf tournament in memory of Past President & Col. Barre Smuck to increase our contributions to the fund. The present Rotary Cancer Research Fund value is in excess of \$65,000. Since 2002 the income from this fund has been used by the Penn State Cancer Institute to help fund an annual **Symposium on Melanoma Research**.

In 2005 we joined forces with the **Jake Gittlen Cancer Research Foundation**, and have given over \$145,000.

This year our goal is to raise at least \$25,000 in support of this outstanding organization. The **Gittlen Memorial Golf Tournament** is the central fund-raising event for the Foundation.
